Dear Mr. Foianini:

Re: Gregory Basin Water Rights
Beaver Creek Distribution System

Attached are four sheets listing the Utah water rights located for Gregory Basin and a map sheet of the area. The land irrigated in the rights totals 291.12 acres.

Please let us know if you have other water rights that we have missed or that we don't have on record.

Yours truly,

A handwritten signature in black ink, appearing to read "Kent L. Jones". The signature is fluid and cursive, with a large, sweeping "K" and "J".
